I responded to a stranded motorist who was trying to push his vehicle on American River Drive near Watt Avenue. The driver, a 20-year-old male, and another person pushed the car onto the property at Selby Ranch. The young man said he had taken his sister's car without permission and was frantically trying to return it before she found out. I contacted his family because he could not produce his Arizona driver's license. They showed up and provided the needed documents.

The rest of the shift was quiet.
