Today was a very nice day. Due to the summer break, no schools were in session.

I checked the parks and all the river access points. I didn't observe any issues.

I monitored the intersection at Saverien and American River Drive, but observed no traffic violations.

I responded to an email from a member who received the "grandchild in jail" scam call. Fortunately, she was familiar with scam and hung up. Twenty minutes later, a man she didn't know knocked on her door and she was concerned that the two events might have been connected. She was able to report the license plate number on the man's car and it checked clear. The knock appeared to have been a coincidence. I advised her to call if the man returned.

Tuesday 8 a.m. to 4 p.m., June 13

I patrolled the neighborhood and completed all 38 vacation watch checks. All homes were secure.

I checked all the river access points and all were quiet.

I followed up on a report from last week of a strange, persistent noise from a home on Exmoor Drive. The reporting person advised me that the residents of the home in question

had returned and fixed the source of the noise.

I monitored traffic at Saverien and American River and at Saverien and Ashton, but observed no violations.

There was a Toyota 4 Runner parked at the south end of Estates Drive at the river entrance. I contacted the man and woman occupants, who told me they were preparing to walk to the river. The vehicle checked clear.

Thursday 8 a.m.-4 p.m., June 15

I patrolled the neighborhood and completed all 38 vacation watch checks. All homes were secure.

I saw that a semi with a fully loaded trailer had pulled into the Harrington river access area. I helped the driver to navigate out of the area.

The rest of the shift was quiet.

I had a lengthy conversation with a Wyndgate resident about our patrols behind their gates and throughout the community.

Monday 8 a.m. to 4 p.m., June 19

I patrolled the neighborhood and completed all 39 vacation watch checks. All homes were secure.

Today was a federal holiday and a very nice day. A lot of people were out and about enjoying the nice weather.

I responded to an email about a man who had been seen on camera snooping around a home in the 3600 block of Fair Oaks Boulevard. I was able to report that the man in question had entered a home on the same block and was subsequently arrested.

At 8:45 p.m. I responded to Crondall and Wilhaggin following a report of a homeless man who was reported to be living in a red Mitsubishi sedan and was refusing to leave. I arrived on scene within two minutes, but did not find the car.

At 10 p.m. I was patrolling on Copperfield Way when I noticed a package sitting on the porch of a homeowner who regularly requested vacation watches, but had none on the books for today. I emailed the homeowner so he could be aware of the package.

At 11:45 p.m. I was approached by a 17-year-old male who wanted to tell me that he had been making better decisions since I last contacted him in February and towed his car after determining that he did not have a valid driver's license. He said he was sorry for causing headaches and showed me his new valid driver's license. I congratulated him and, after some conversation, he drove home.

I checked all the river access points and observed no issues. There were lots of cars and people out until 1 a.m., but nothing of concern to report.

Thursday 8 a.m.-4 p.m., June 22

I assisted park rangers and the fire department with search and rescue operations. There had been a report of someone possibly being in the river and a friend was unable to locate the person. The sheriff's department provided a drone to fly along the river as part of the search until its battery ran down. Shortly after the fire department's rescue helicopter arrived, a body was discovered near the William B. Pond access.

I responded to a detailed email regarding two homeless subjects on bicycles towing trailers through the Del Dayo neighborhood. No criminal activity had been observed, but I made note of the information.

I responded to another member's concerns of a recent burglary on a street near Fair Oaks

Boulevard and Watt Avenue. I created an extra patrol request for deputies to keep a particular eye on that street.

The rest of the shift was quiet.
